South African property law regulates the "rights of people in or over certain objects or things." It is concerned, in other words, with a person's ability to undertake certain actions with certain kinds of objects in accordance with South African law. Among the formal functions of South African property law is the harmonisation of individual ...

South African property law - Wikipedia

Accession has different definitions depending upon its application. In property law, it is a mode of acquiring property that involves the addition of value to property through labor or the addition of new materials.
