"Documentary Film and Modernism," in a lecture series on "The Construction of Historical Meaning" that provided the occasion for me to revisit the history of documentary in a sustained way.

Documentary Film and the Modernist Avant-Garde

This article emphasizes film and television genres but has good sections on functional documents as well. Chandler covers a lot of ground and strongly suggests that genres are socially constructed.

An Introduction to Genre Theory

What makes a good documentary film? The essential element of a good documentary is simply, the story. The audience must have an intellectual and emotional tie to the film. The audience must have a compelling reason to get to the end of the film, not an excuse to get away from it.
