

### **baby boomers health and pdf**

Baby boomers (also known as boomers) are the demographic cohort following the Silent Generation and preceding Generation X. There are varying timelines defining the start and the end of this cohort; demographers and researchers typically use birth years starting from the early- to mid-1940s and ending anywhere from 1960 to 1964.

### **Baby boomers - Wikipedia**

A baby boom is a period marked by a significant increase of birth rate. This demographic phenomenon is usually ascribed within certain geographical bounds.
