Introduction by Graham Davies. A concordance, according to the Collins Cobuild English Language Dictionary (1987), is "An alphabetical list of the words in a book or a set of books which also says where each word can be found and often how it is used."

English Module 2.4: Concordance programs

I find it is helpful to place each composer in a timeline next to their peers, to better understand the stylistic aspects of interpretation. The more you play 19th century music, you will find there is a major difference in each decade.
