body-language-secrets | Body Language | Foot - Scribd

The secret is that the more a group displays a certain type of body language the more likely it is that they will reinforce each other's perceptions and physical behaviour. This is a critical component of communication with very practical applications. For example: If you wish to enjoy an evening of romance you are more likely to be successful in a place where other people are also displaying courtship behaviour. This is because their body language is contagious. To see the proof of this ...
