This book is not about JavaScript design patterns or implementing the object-oriented paradigm in JavaScript. It was not written to distinguish the good features of the JavaScript language from the bad. It is not meant to be a complete reference guide. It is not targeted at those new to programming or those completely new to JavaScript. And it ...

InDesign JavaScript Reference Guide. Scripting is one of the most powerful features in InDesign. It can save lots of time: almost anything you can do with the user interface, you can do faster with scripts, and there are even a few things you can do in scripting that you cannot do from within the user interface.
